

REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully requested.

An Abstract is submitted herein.

Further, substitute Figures 1-125 are submitted herein, which correspond to original Figures 1-125 but which are more formal.

Further, claims 1-45 are canceled without prejudice and new claims 46-90 are presented for examination. New claims 46-90 are deemed to be self-evident from the original disclosure, including the original claims, and thus are not deemed to raise any issues of new matter. Further, new claims 46-90 are not believed to be more narrow in scope in any aspect in comparison with canceled claims 1-45.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
